AUTOMOBILE INSURANCE

## Protection for you and your family

**Liability coverage:** Pays others—including drivers, passengers, and pedestrians—for damages which you become legally liable for due to an auto accident.

**Uninsured motorist coverage:** Provides bodily injury coverage for accidents caused by a hit-and-run driver or uninsured driver which occur when you or your family are driving a covered auto, or while you are a pedestrian. In some states, uninsured motorist protection also covers property damage. Contact your local, independent Allied agent for details regarding your state.

**Underinsured motorist coverage:** Pays for damages you are legally entitled to recover from another party when that person's liability insurance is not adequate to cover your loss.

**Medical expenses coverage:** Pays reasonable medical expenses for you or members of your family if you are injured in an auto accident or as a pedestrian struck by an auto. This protection is also extended to others who are injured while occupying your auto.

**Personal injury protection:** Provides coverage for injury, death, loss of services, and loss of income suffered by you, your covered passengers, or covered family members (for those insureds who reside in states with no-fault insurance laws).

## Protection for your auto

**Collision coverage:** Protects you from losses resulting from damage to your auto due to collision with another object.

**Comprehensive coverage:** Pays for other losses to your auto, including losses caused by fire, theft, glass breakage, falling objects, natural disasters, vandalism, and other causes of loss.

**Additional protection:** You can round out your protection with these optional coverages:

- **Towing and labor costs:** Pays for emergency repairs and/or towing when your car breaks down.
- **Rental reimbursement:** Pays the expense of renting a substitute vehicle when there's a loss to your auto.

## Other Allied advantages

**Premium discounts:** You deserve the best coverage for your dollar. To help you save, we offer a wide range of discounts on our already reasonable rates, including:

- A multiple vehicle discount for insuring more than one auto with us
- A multi-policy discount for insuring both your home and auto with us
- A long-term customer discount
- The Good Student discount for qualifying young drivers
- Safety discounts for features such as airbags and anti-theft devices

Contact your local, independent Allied agent to find out if you qualify.

**Convenient billing options:** Pay by check, by credit or debit card, through the mail, over the phone at 800-282-1446, or online at [alliedinsurance.com](http://alliedinsurance.com)... it's up to you! You can even have your premiums deducted automatically from your designated financial institution with our Flex Chek program.

Whichever payment option you select, you can always count on Allied to answer any questions you have. Our customer service representatives are just a toll-free phone call away—24 hours a day, seven days a week!
