An accident can be a stressful experience. But Allied Insurance will be with you every step of the way.

Reporting a claim

Accidents don't always happen during normal business hours. Allied Insurance is available 24 hours a day, 365 days a year at:

800-282-1446

An Allied representative will ask you the necessary questions to get your claim started and offer the appropriate services for your immediate needs, including:

- Towing and temporary repairs
- Vehicle rental assistance
- Body shop referral
- Glass replacement

To provide you with superior service, an Allied claim representative will contact all parties involved as soon as possible—within eight business hours in most cases.

What to do in case of an accident

1. Remain at the scene.
2. Contact police and, if necessary, medical services; ask a passing motorist to call if you are unable to do so.
3. Do not make any admissions of responsibility or sign any written statements until you have consulted with your claim representative.
