Section 6 – Binding Arbitration

Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to, this Agreement, or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court. Any dispute regarding a claim for damages within the jurisdictional limits of the small claims court will be resolved in such court. The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply. The Member and Anthem Blue Cross agree to be bound by these arbitration provisions and acknowledge that they are giving up their right to trial by court or jury.

California Health & Safety Code section 1363.1 requires that any arbitration agreement include the following notice: "It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration."

The Member and Anthem Blue Cross agree to give up the right to participate in class arbitrations against each other. Even if applicable law permits class actions or class arbitrations, the Member waives any right to pursue, on a class basis, any such controversy or claim against Anthem Blue Cross and Anthem Blue Cross waives any right to pursue, on a class basis, any such controversy or claim against the Member. The arbitration findings will be final and binding except to the extent that state or federal law provides for the

Section 6 – Binding Arbitration (continued)

judicial review of arbitration proceedings. The arbitration is initiated by the Member making written demand on Anthem Blue Cross. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS"), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Member and Anthem Blue Cross, or by order of the court, if the Member and Anthem Blue Cross cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to whom the parties have agreed, in which cases, Anthem Blue Cross will assume all or a portion of the costs of the arbitration. Please send all Binding Arbitration demands in writing to:

Replacement Notification

WE ADVISE YOU TO SAVE THIS NOTICE AS IT MAY BE IMPORTANT TO YOU IN THE FUTURE

According to the information you have furnished, you intend to lapse or otherwise terminate an existing Medicare supplement policy or Medicare Advantage plan and replace it with a contract to be issued by Anthem Blue Cross. Your plan contract to be issued by Anthem Blue Cross will provide 30 days within which you may decide without cost whether you desire to keep the contract. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. Terminate your present policy or plan contract only if, after due consideration, you find that purchase of this Standard Plan A or Medicare Select coverage is a wise decision.

Statement to applicant by plan, solicitor, solicitor firm, or other representative:

A. You have reviewed your current medical or health coverage. The replacement of coverage involved in this transaction does not duplicate coverage, to the best of your knowledge. The replacement contract is being purchased for the following reason (check one):

- Additional benefits.
- No change in benefits, but lower premiums.
- Fewer benefits and lower premiums.
- My plan has outpatient prescription drug coverage and I am enrolling in Medicare Part D.
- Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment.

Other. (Please specify.) _____

B. You may not be immediately eligible for full coverage under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present policy or contract.

C. State law provides that your replacement Medicare Select or Standard Plan A contract may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The plan will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new coverage for similar benefits to the extent that time was spent (depleted) under the original contract.

D. If you still wish to terminate your present policy or contract and replace it with new coverage, be certain to truthfully and completely answer any and all questions on the application concerning your medical and health history. Failure to include all material medical information on an application requesting that information may provide a basis for the plan to deny any future claims and refund your prepaid or periodic payment as though your contract had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

E. Do not cancel your present Medicare supplement coverage until you have received your new contract and are sure you want to keep it.
