Did you know that, in California, insurance rates are based on your estimated mileage? That's why many drivers in our state benefit from having a more ACCURATE MILEAGE RATE on their auto policies.

SmartRide gives you PERSONALIZED FEEDBACK to help you manage your mileage, so you get a discount based on the miles you actually drive. The lower your mileage, the higher the discount you could get - up to 15%.

### HOW SMARTRIDE WORKS:

- 1 Sign up** — get an instant 5% discount.
- 2 Plug in your device** — it fits into a port already located near your steering wheel.
- 3 Go online** — get feedback to help you manage your mileage, and track your discount.
- 4 Lock in your reward** — send back your device after one insurance term and start enjoying your discount.
